

Tech Tips for Transportation

Join us for an upcoming 2-session class!

- » September 19 & 26
10:30 am – 12:30 pm
- » Terra Linda Community Center | 670 Del Ganado Road in San Rafael
- » Call 415.485.3344 to register

Learn how to take the bus, SMART train, ferry or maybe get a ride from a volunteer, use shared ride services, subsidized taxi's and more!

Learn how technology can help you get around without driving!

Your smartphone, tablet and computer are great tools for learning about your transportation options and managing your rides!

The Tech Tips for Transportation class is offered to help you learn about transportation options in Marin. We will show you how to get online to use web sites & apps for determining the fastest and least expensive way to get where you want to go.

This course is especially geared toward older adults, riders with disabilities, and caregivers who may be exploring their transportation options.
